

V-25 DC

INDUSTRIAL CEILING FAN

Low power consumption with DC motor

Technical Properties

- Energy-saving ceiling fan.
- DC Motors
- 6 speeds.
- Model with 6 aluminium blades.
- Timer for automatic shutdown.
- Reversible blade operation: Summer / Winter.
- Natural Breeze Mode.
- Black finished design.
- Two masts for different heights 12 and 24 cm.
- Easy installation.
- Includes remote control.
- Hotels, restaurants and coffe shops special model.

MODEL	DC V-25
Fan power	60 W
Air flow rate at speed 1	13252 m ³ /h
Air flow rate at speed 2	13592 m ³ /h
Air flow rate at speed 3	13932 m ³ /h
Air flow rate at speed 4	14442 m ³ /h
Air flow rate at speed 5	14951 m ³ /h
Air flow rate at speed 6	15291 m ³ /h
Sound pressure level	48 dB
Voltage	230 V~
Timer	1-8 hours
Number of blades	6
Blade material	Aluminium
Reversible blade operation	Summer / Winter
Diameter	203 cm
Net weight	15 kg
