

VARYS DC

CEILING FAN WITH LED LIGHT AND RETRACTABLE BLADES

Quiet, energy-saving DC motor.

Technical Properties

- Ceiling fan with retractable blades.
- Low power consumption with ultra-quiet DC motor.
- 6 speeds.
- 3 retractable blades in transparent polycarbonate.
- 36 W LED kit with interchangeable panel.
- CCT with 3 temperature colour: Warm, Neutral and Cool.
- Dimmable light intensity.
- Dustproof, damp-proof and mosquito-proof sealed LED ceiling light.
- Timer for automatic shutdown.
- Reversible blade operation: Summer / Winter.
- Natural Breeze Mode.
- Memory function for switch-on from the switch.
- Elegant and functional design finished in white.
- Two masts for different heights 12,5 and 25 cm.
- Easy installation.
- Includes remote control.

MODEL	VARYS DC
Fan power	6-29 W
Air flow rate at speed 1	7140 m ³ /h
Air flow rate at speed 2	8160 m ³ /h
Air flow rate at speed 3	8820 m ³ /h
Air flow rate at speed 4	9780 m ³ /h
Air flow rate at speed 5	11100 m ³ /h
Air flow rate at speed 6	11580 m ³ /h
Voltage	230 V~
Timer	1-8 hours
Number of blades	3
Blade material	Transparent polycarbonate
LED light	36 W
CCT with 3 temperature colour	3000 K - 4000 K - 6000 K
Reversible blade operation	Summer / Winter
Diameter	107 cm
Net weight	6 kg
